## JESÚS MOLINA QUINTET

The Quintet consists of Piano, Keyboards, Drums, Electric guitar, Tenor Saxophone and Bass guitar. All these instruments require technical equipment such as amplifiers stands and other things. The Set lasts for 1:20 minutes, Performing original music, arrangements to songs and Jazz Standards with elements of World Music.

Here is the list of requirements and the rider. This is to make your event run as smoothly as possible and so we can work together to make it great. Just as your event deserves.

1. Tenor Saxophone: Requires a good microphone for a great sound, A recommendation for this microphone is: (Shure Beta 98 H / C)
2. Electric Guitar: The guitar requires a good amplifier, with a nice clean sound like a Fender (twin reverb, deluxe reverb etc) or Roland Jazz chorus and a microphone to capture the sound.
3. Piano and Keyboards: This requires a Grand Piano (Yamaha, Steanway, Kawai, All welcome) The Grand Piano Must be Well equipped with microphones to find the ideal sound. Main Keyboard first option: Nord stage 2 exe, Second option: Motif Xf8. Moog Sub 37 For leads as Only option. Double stand for Keyboards.

4. Electric Bass: This requires a good amplifier, options like the Aguilar control and Gallien Krueger Amplifier.
